The Community Fund of Bronxville Eastchester Tuckahoe, Inc. is a non-profit corporation founded in 1919 organized to provide funding and support for local agencies and community programs serving the health, education, and welfare needs of the residents of Bronxville, Eastchester and Tuckahoe.

The Community Fund is the one local organization that, through the efforts of many volunteers, not only raises funds annually to provide essential grants for local social service organizations, but also, equally important, evaluates and provides them technical assistance. Almost everyone has benefited directly or indirectly from the many programs and projects The Community Fund supports.

Dear Friends and Neighbors,

We are proud to present our Annual Report to the Community describing the contributions of The Community Fund of Bronxville Eastchester Tuckahoe, Inc. during the period July 1, 2008 – June 30, 2009. Special thanks to Tom Likovich, last year's President, and his able Board for their hard work and enthusiastic support of the Fund and the programs we support.

We also wish to thank the entire community for their generosity during a difficult year. Your support of the Fund and the vital programs in our community – really made a difference to so many! This past spring, The Community Fund was pleased to provide over \$521,000 in grants. Your contributions provided support for over 30 social service agencies and numerous community initiatives which benefit the Bronxville, Eastchester and Tuckahoe communities. Your support helps the young and the old, students needing guidance, families dealing with medical and substance abuse problems, the disabled needing support and socialization, to name a few.

This year The Community Fund is celebrating its 90 year old heritage, and our community's future. We want to honor the energy, enthusiasm and boundless generosity of our donors and the agencies we support. We have a unique opportunity to give where we live, and we intend to be a more visible part of our community than ever before.

To learn more about The Community Fund, we encourage you to visit our website: www.thecommunityfund.org. Read about the activities, see a listing of volunteer opportunities, download a copy of The Senior Guide, The Community Guide, or the new Community Adventure Guide, and find out how to contribute.

**You, our friends and neighbors,
are what make this possible!**

Sincerely,

Nick Stephens,
2009-2010 President

Tracy Rutherford,
Executive Director

Who We Are

Beginnings

The Community Fund of Bronxville Eastchester Tuckahoe, Inc. was founded on October 2, 1919, as The Community Welfare Fund, Inc., to support Lawrence Hospital, The Associated Charities of Eastchester, and other charitable agencies or welfare work in the community. The Fund served the community during the Depression and World War II, providing basic support to families and the war effort. During the war, The Community Fund also raised money for the USO and the National War Fund.

Transition

From 1919-1979, The Community Welfare Fund underwent several name changes. In the 1940's and early 1950's, the name became The Community Chest (the Red Feather for those who remember). In 1954, the name was changed to the United Fund of Bronxville Eastchester Tuckahoe, Inc. Later, in 1965, the organization affiliated with the United Fund of Westchester which became known as the United Way of Westchester in 1978.

On July 1, 1980, The United Fund of Bronxville-Eastchester-Tuckahoe severed its affiliation with the United Way of Westchester to ensure that all funds raised locally would remain in the three communities. It reestablished itself under its original charter of 1919 and changed its name to The Community Fund of Bronxville Eastchester Tuckahoe, Inc., thereby reaffirming the organization's original objectives.

The Present

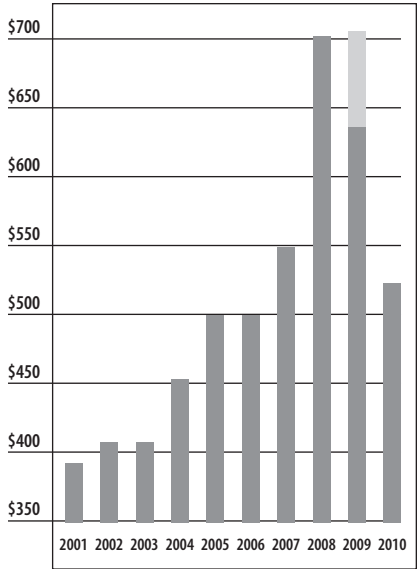

Over the past ten years, the Community Fund has provide over \$5,000,000 in local support for social service agencies and community projects providing vital services to the Bronxville, Eastchester and Tuckahoe communities. Each year representatives from The Community Fund work closely with elected officials, clergy, school administrators and other community groups to identify needs in our area. In addition to funding, The Community Fund also provides administrative support to the agencies through on-going visits, consultations, workshops and forums.

For the year ending June 30, 2009, The Community Fund raised over \$650,000 through the generous support of over 1000 individuals and local business to our Annual Campaign and Golf Outing. We are pleased to announce that our net funds raised in combination with our income from investments permitted us to provide over \$520,000 in grants for the coming year.

Commonly Asked Questions

Why a Community Fund?

Since our founding in 1919, The Community Fund has supported agencies and programs that provide vital services within Bronxville, Eastchester and Tuckahoe. These services help thousands of our neighbors each year, at little or no expense to those least able to pay. These agencies and programs rely on the support of the Fund.

The Community Fund is largely staffed and administered by members of our own community volunteering their time and talents. Expenses are kept as low as possible as a result.

Your donation to The Community Fund is a direct investment in the quality of life in your community. It truly is "local giving for local needs".

Does my contribution stay in our community?

Yes. We target our support exclusively to programs and agencies that serve our neighborhoods. Our ongoing evaluation with each agency helps insure we understand where each dollar goes and how it meets a local need.

What needs do we have?

The need for social services and support cuts across all social and economic segments. And these needs often occur unexpectedly during times of financial or physical hardship. Whether it is services for the aging, our youth or families in crisis, The Community Fund agencies and programs meet an increasing need for their services ... right here in our own community.

Where does my contribution go?

The Community Fund volunteers work directly with each of the 30+ programs and projects we support to insure that our giving is invested within our own neighborhoods. The Fund works with each organization funded throughout the year providing counsel as well as financial support. We know the organizations and the important work they do.

How can I help beyond my contribution?

Join us! Volunteer to join in with your neighbors and become a part of The Community Fund team. We have opportunities in areas such as fundraising, administration and working directly with the community. Please call the office to learn more: (914) 337-8808

How Can I Contribute?

The Community Fund is a 501(c)(3) non-profit which raises money annually to support community grants through its Annual Campaign in the fall and its Golf Outing in the spring. During the fall Annual Campaign, member organizations support The Community Fund's efforts to raise funds for all the organizations and agree not to solicit the community during this period. The Golf Outing registration begins in January.

You can make a tax-deductible contribution to the Annual Campaign by:

- **Contribution of Cash, Check or Credit Card**

We accept personal check, American Express, Visa and Mastercard.

- **Contribution of Securities**

Wire transfer of securities is the simplest way to donate. Please contact the office for instructions (337-8808) and request your broker to advise the office when a transfer is made.

- **Coordination of Employer Matching Gift**

Inquire whether your business will provide a matching contribution.

- **Designation of your United Way Contribution**

can be made by checking the designation box on your Employee United Way Designation Form and clearly specifying our full name, address, and phone.

Important Information for United Way Designations

- ***Please send our office a copy of your completed Employee United Way Designation Form so we are aware of your gift. This will serve as your pledge card.***
- ***Lumpsum contributions are preferable, as the United Way administrative costs deducted from your gift are significantly higher for payroll deductions.***
