Bronxville Eastchester Tuckahoe

Fall 2011

**Dear Friends and Neighbors,**

"Local Giving for Local Needs" is The Community Fund of Bronxville, Eastchester and Tuckahoe. It is with great pride that we present to you the *Annual Report to the Community* for the period July 1, 2010 – June 30, 2011 detailing how your generous giving addressed pressing local needs. With contributions from families, individuals and businesses, we were able to approve \$489,200 in grants to 26 agencies and community programs.

Some of the other highlights from the year include:

- ♦ Provided funds to the Tuckahoe Youth Association Baseball Program for a defibrillator
- ♦ Supported the Eastchester Traffic Expo-Community Safety Day
- ♦ Celebrated the 25th Anniversary of the Annual Golf Outing at Siwanoy Country Club that netted over \$95,000
- ♦ Updated the "Community Guide", a community resource directory

A sincere thank you to Fred Taylor, last year's President, our capable Board and the entire BET community of donors for your hard work and unfailing support. Through your contributions seniors will be provided with transportation, fellowship and medical care, children from low-income families will attend day camp and day-care and children with disabilities will be able to participate in therapy and recreation programs, just to name a few services.

The Community Fund is made up of special neighbors and friends who have a strong commitment to building and supporting their community. You make all this possible!

Sincerely,

Gayle Haller,  
2011-2012 President

Melinda Burge,  
Executive Director

# Who We Are

## MISSION

The Community Fund of Bronxville Eastchester Tuckahoe, Inc. is a 501(c)(3) non-profit corporation organized to provide funding and support for local agencies serving the health, education and welfare needs of local residents.

## HISTORY

### **Beginnings**

The Community Fund of Bronxville Eastchester Tuckahoe, Inc. was founded on October 2, 1919, as The Community Welfare Fund, Inc., to support Lawrence Hospital, The Associated Charities of Eastchester, and other charitable agencies or welfare work in the community. The Fund served the community during the Depression and World War II, providing basic support to families and the war effort. During the war, The Community Fund also raised money for the USO and the National War Fund.

### **Transition**

From 1919-1979, The Community Welfare Fund underwent several name changes. In the 1940's and early 1950's, the name became The Community Chest (the Red Feather for those who remember). In 1954, the name was changed to the United Fund of Bronxville Eastchester Tuckahoe, Inc. Later, in 1965, the organization affiliated with the United Fund of Westchester which became known as the United Way of Westchester in 1978.

On July 1, 1980, The United Fund of Bronxville Eastchester Tuckahoe severed its affiliation with the United Way of Westchester to ensure that all funds raised locally would remain in the three communities. It re-established itself under its original charter of 1919 and changed its name to The Community Fund of Bronxville Eastchester Tuckahoe, Inc., thereby reaffirming the organization's original objectives.

### **The Present**

The Community Fund currently supports 26 local social service agencies and community programs which provide necessary services to our community. In addition to funding, The Community Fund also provides administrative support to the agencies through on-going visits, consultations, workshops and forums.

# Where The Money Goes...

## SUPPORTING...

### Families

Pre-schoolers at the Eastchester Child Development Center are able to enjoy extended hours of quality day-care allowing parents greater flexibility to support their families.

### Seniors

Dorothy and other local seniors are able to maintain their independence with the help provided by Eastchester Senior Programs and Services.

### Health

Thanks to the caring staff of Cancer Support Team, Mrs. D., a widow in her 80's, was able to ease her anxiety about beginning chemotherapy and the associated financial issues related to her illness.

# Helping Our Neighbors

## Education

Maxwell Institute's Community Education Specialist, Kimberly Wildey provides children and teens with the tools necessary to make smart choices when it comes to drugs, alcohol and smoking. "Because of you, I saved a life" a former student told Ms. Wildey, "I remembered

what you said – know to follow your instincts and call for help. Even though my friends didn't want me to, I did, and EMS said I saved his life."

## Youth

Members of the South East Consortium were able to have their annual prom return to the Bronxville School. The prom, which was hosted by the Bronxville Youth Council, provided a magical evening for all in attendance and paved the way for new collaborations between the two groups.

# Commonly Asked Questions

## **Why a Community Fund?**

The Community Fund was founded in 1919 to support qualified agencies and programs that provide vital services within Bronxville, Eastchester and Tuckahoe. These services help thousands of our neighbors each year at little or no expense to those least able to pay. With declining government support, these agencies need the help of the Fund more than ever.

The Community Fund is largely staffed and administered by members of our own community volunteering their time and talents. Your donation to The Community Fund is a direct investment in the quality of life in your community. It truly is “local giving for local needs”.

## **Why should I give to The Community Fund?**

In today's economy, human service needs are growing while government funding sources are diminishing. Each year, the Fund is asked to provide funding in excess of what we have collected. A contribution would enable the Fund to have a greater impact on the growing needs in our community.

## **Why give to The Community Fund rather than directly to agencies of my choice?**

We would encourage you to also give to your favorite agencies! But, there are many reasons to give to the Fund too:

- ✦ A contribution to The Community Fund ensures that the dollars you donate go towards the specific programs that provide services directly to the Bronxville, Eastchester and Tuckahoe communities.
- ✦ Some of our member agencies that provide significant services are not as well known or do not receive adequate funding. We ensure that these agencies that provide critical services to community members continue to receive support.
- ✦ The Fund does the due-diligence work for you! Annually, all agencies undergo an on-site review of services and financial viability to ensure that they are operating effectively and that your dollars are spent judiciously.
- ✦ Each year, other community organizations come to the Fund and ask for “one-time” grants in order to provide a new service or handle an emergency. We are there for them during a time of need. Because of our relationships in the community, we are in a unique position to know and address ongoing needs.

## **What needs do we have?**

The need for services and support cuts across all social and economic segments. And these needs often occur unexpectedly during times of financial or physical hardship. Whether it is services for the seniors, our youth or families in crisis, The Community Fund agencies and programs meet an increasing need for their services right here in our own community.

## **How can I help beyond my contribution?**

Join us! We have volunteer opportunities in fundraising, evaluations, administration and more. Call Melinda Burge, Executive Director, at 337-8808 to learn more.

# How Can I Contribute?

A contribution to The Community Fund makes a positive impact on the lives of people living here in our community. Through the monies raised in our Annual Campaign each fall and our Golf Outing every spring, The Fund is able to allocate grants to the social service agencies and community programs meeting the needs of our friends and neighbors. Every dollar raised here stays here!

## **You can make a tax-deductible contribution to the Annual Campaign by:**

- ✦ Contribution of cash, check or credit card. We accept personal checks, American Express, Visa and Mastercard.
- ✦ Contribution of Securities  
Wire transfer of securities is the simplest way to donate. Please contact the office for instructions (337-8808) and request your broker to advise the office when a transfer is made.
- ✦ Coordination of Employer Matching Gift  
Inquire whether your business will provide a matching contribution.
- ✦ Designation of your United Way Contribution can be made by checking the designation box on your Employee United Way Designation Form and clearly specifying our full name, address, and phone.

### **Important Information for United Way Designations:**

- ✦ Please send our office a copy of your completed Employee United Way Designation Form so we are aware of your gift. This will serve as your pledge card.
- ✦ Lump sum contributions are preferable, as the United Way administrative costs deducted from your gift are significantly higher for payroll deductions.

**Credit card contributions are accepted on our website: [www.thecommunityfund.org](http://www.thecommunityfund.org)**
