Why Give Locally to The Community Fund?

1. When you give close to home, you SEE FIRSTHAND THE IMPACT THAT YOUR DONATION MAKES. You are helping your friends, your neighbors, your aging parents and your children. By building strong foundations and practices in our own communities, we are building a stronger nation of people that care and are cared for.
2. When you give to the Community Fund, 100% OF YOUR DONATION GOES DIRECTLY TO THE LOCAL PROGRAMS, agencies and people that need it most. Your donations are monitored and protected by your peers to ensure the funds are used to help keep our community thriving.
3. You are exposed to DEEPER WAYS TO MAKE A DIFFERENCE with the agencies supported by The Community Fund. Beyond financial support, we create pathways for you and your whole family to roll up your sleeves and also create value with your time and expertise.

“The Greatness of a Community is most accurately measured by the compassionate actions of its members.”

Community Conversations and Events

The Community Fund believes in connecting local residents and creating positive impact in our home community. Not only do we support local nonprofit organizations but we see many opportunities to work with those agencies and help curate programming that provides relevant education and services to our neighbors. Cottage Talks are a unique opportunity to pull together families and provide support to on topical information effecting our neighbors. Partnerships with Maxwell Institute, local PTA's and Senior citizen organizations helps us ensure that we are reaching a large demographic of our residents. Topics covered have ranged from vaping, addiction and anxiety in adolescents, aging, and health and wellness.

Our first 3 on 3 Basketball Tournament was another way for the Fund to connect Bronxville, Eastchester, and Tuckahoe. The event brought out over 100 individuals young and old to help celebrate The Community Fund's role in the refurbishment of the Tuckahoe Basketball courts and the revitalization of this recreational space. This now annual event is an important way for the Fund to demonstrate how our resources can be allocated in new ways that help bring all three communities together.

“ I'm lucky enough to see firsthand the impact that our cottage talks and community events have on the residents of Bronxville, Eastchester and Tuckahoe. This new programming creates important ways for our neighbors to connect with each other, support common goals, and help to create a strong community. We are trying to bring topical and important issues such a Vaping, teen stress and anxiety, and healthy choices to the forefront through our speaker series events as well. Our newly formed Youth Community Fund helps teens connect with their peers and understand the needs of their neighbors. ”

– Amy Korb, Executive Director

Discretionary Grants in Action

“ The Tuckahoe PTA is grateful to the Community Fund for helping us to bring Bobby Petrocelli to our District to speak to our students and parents about his very personal experience with drunk driving. Mr. Petrocelli, in speaking about choices, taught our students not only that our actions have consequences, but showed them the power of resilience. Thank you for helping us to bring this important and impactful message to our community. ”

– Tara Zegers, Tuckahoe PTA President

Reacting to our community’s complex needs is what the Community Fund strives to do on a daily basis. These one-time grants give the fund the flexibility to help support an immediate need with an agency or community program, or seed a new initiative that can dramatically impact the lives of our residents. In the last 10 years the Fund has given close to \$200,000 in these one time grants.

Grantee Highlights

BECAUSE OF OUR IN-DEPTH KNOWLEDGE OF THE NON-PROFITS SERVING THE BET COMMUNITY, YOUR CONTRIBUTION IS DIRECTED TO WHERE IT IS MOST NEEDED, INCLUDING:

ECAP \$52,000 grant

WESTCOP/Eastchester Community Action Partnership (ECAP) provides needed community services, including a food pantry, afterschool programs, summer activities for children, and emergency support. CF dollars fund the Books and Beyond afterschool program and the Summer Enrichment program.

“ The Community Fund’s support is the backbone of WESTCOP-ECAP’s success with helping young students and working parents in the community. Our mission is to mobilize, and efficiently manage resources through partnership and collaboration that will assist the low-income and at-risk populations in the Southern Westchester region; thus achieving greater self-sufficiency. We are extremely grateful to The Community Fund for immeasurably embracing our mission and providing unmatched financial and programmatic support. ”

– Don Brown, Executive Director, ECAP

Maxwell Institute

\$55,000 grant

Maxwell Institute provides assessment, intervention, treatment, and recovery support for those fighting substance abuse. CF dollars provide fee subsidies for treatment services and fund drug and substance abuse programs presented to BET schools, parents and local community groups.

“ The support of the Community Fund has allowed The Maxwell Institute to bring hope and healing to those struggling with addiction who are uninsured or underinsured. It also has provided us with the resources to embed Lilly Neuman’s vital education and prevention programs in local schools and community organizations. Through these programs, such as Cottage Talks, we are having important conversations about the impacts of drugs and alcohol on our community and giving parents tools to help them talk to their children about these issues. We are grateful to the Community Fund donors for their generosity. ”

– David Gerber, M.Ed, CASAC-Master Counselor
Administrative Director, Outpatient Addiction Services, St. Vincent’s Hospital Westchester

Eastchester Volunteer Ambulance Corp

\$50,000 grant

EVAC is the primary ambulance provider to residents of Bronxville, Eastchester, and Tuckahoe. CF dollars are accrued each year toward the purchase of a new ambulance every three years.

“ As one of the busiest volunteer ambulance organizations in Westchester County, our ambulances are always on the move, providing 24/7 emergency medical care to the Town of Eastchester, Village of Bronxville and Village of Tuckahoe. We continually strive to provide the highest quality medical care we can and the outstanding support of The Community Fund allows us to hit our mark year after year. Eastchester Volunteer Ambulance Corps can’t thank The Community Fund enough for making it financially possible to purchase a new ambulance every three years. They are truly what keeps EVAC moving. ”

VOLUNTEER

Evaluators are the heart and soul of The Community Fund. Each year we work with volunteers who have been chosen based on their local knowledge, expertise and talents. Our volunteers then meet on-site with each applicant agency to review the need for and impact of the services provided, how well the services are provided, and the financial position of the agency. Based on their comprehensive review, the evaluators make a funding recommendation as to how The Community Fund can best support the agency and our residents.

JOIN IN OUR GOLF OUTING

Proceeds from our annual golf outing provide approximately 20% of our total revenue each year, directly impacting the amount of grant allocations we are able to make.

- **Be a Sponsor** – Sponsorships are tax deductible and provide a great way to support the BET community.
- **Donate to the Event's Auction or Raffle through Gifts in Kind** – Revenue from these events is imperative to the success of our outing.
- **Join our Golf Committee** – Help plan the day, find sponsors, or organize the auction while getting to know people from all three BET communities.
- **Join us that day** – Play golf or attend the awards dinner and auction that evening. Either way, your support will help!
