Annual Report 2016

Bronxville Eastchester Tuckahoe

Meeting the needs of our community for 97 years

Fall 2016

It is with great pride that we present The Community Fund Annual report for Bronxville, Eastchester and Tuckahoe (BET) for the period of July 1, 2015 – June 30, 2016. Thanks to the generous support of our donors, last year we funded grants in the amount of **\$563,700** that directly benefited the residents of our BET community.

Following our extensive annual review process, The Community Fund committed to supporting 26 social service agencies and community programs that provide necessary and invaluable services for our residents. In addition, we distributed Discretionary Grants totaling **\$22,457** for one-time, special requests from our member agencies and community associations, including:

- An Automated External Defibrillator for the Bronxville School Track
- 1500 “File of Life” packets for seniors, designed to give emergency personnel their critical medical data at point of treatment
- Books and DVD’s for children and teens at the Tuckahoe Library
- Additional music and literary programs, offered by Concordia Conservatory, for children at all three libraries

We are grateful to all of the individuals, families and businesses who supported our Annual Campaign and Golf outing this past year. Thanks to your continued commitment, we are pleased to announce that we have also approved **\$533,300** in grant allocations for the current fiscal year 2016-2017. We wish to recognize Doug Meyer, last year’s President, and his capable board for their time and leadership, as well as the many volunteers who served as evaluators, on the golf committee and at other events. The Community Fund would not be possible without your collective dedication and effort.

As it enters its 98th year, The Community Fund maintains a keen focus on understanding the greatest needs of our BET residents and channeling our resources toward the most effective programs that provide consistent support for those residents, at every stage of life. This is why **100% of all donations made to our Annual Campaign** go directly toward grants and we work hard to ensure that every dollar raised will be put back into growing the foundation of this wonderful community we call home.

Sincerely,

Neal Denning
2016-2017 President

Be an Evaluator

Evaluators are the heart and soul of The Community Fund. Each year we work with volunteers who have been chosen based on their local knowledge, expertise and talents. Our volunteers then meet on-site with each applicant agency to review the need for and impact of the services provided, how well the services are provided, and the financial position of the agency. Based on their comprehensive review, the evaluators make a funding recommendation as to how The Community Fund can best support the agency and our residents.

Support our Golf Outing

Proceeds from our annual golf outing provide approximately 20% of our total revenue each year, directly impacting the amount of grant allocations we are able to make.

- **Be a Sponsor** – Sponsorships are tax deductible and provide a great way to support the BET community.
- **Donate to the Event's Auction or Raffle through Gifts in Kind** – Revenue from these events is imperative to the success of our outing.
- **Join our Golf Committee** – Help plan the day, find sponsors, or organize the auction while getting to know people from all three BET communities.
- **Join us that day** – Play golf or attend the awards dinner and auction that evening. Either way, your support will help!
