Thanks to the generous contributions of donors throughout our area, we were able to allocate **\$551,173** in total grants, providing support to 24 social service agencies and local community programs that assist all residents of Bronxville, Bronxville P.O. Eastchester, and Tuckahoe.

Highlights of the Community Fund's year include:

- Over **\$59,000** was awarded in one-time discretionary grants that supported the ongoing mental health crisis in our community, capital improvements to our libraries, and senior service support.
- More than **\$500,000** in ongoing support for our member agencies that affect Senior Services, Youth Initiatives, Family Support, Health and Wellness Programs, and Education and Prevention Services.
- Provided over **400** volunteer hours to our local service agencies and community programs through our annual review grant allocation process.

# Our Grant Process

The Community Fund evaluates grant proposals and designates donor dollars through 3 different grant processes.

This year we were able to harness the power of over 200 volunteers to disperse \$550,000.

### 1. Member Agency Fund Grants

Agencies which receive funding for their operating and administrative budget as well as for program support are considered "Community Fund Member Agencies." Member Agencies are nonprofit organizations and community programs that service the Bronxville, Eastchester, and Tuckahoe communities and fall into 5 Sectors of Impact: Youth, Seniors, Education and Prevention, Family, and Health. Individual grants range from \$2,000 to \$60,000 yearly.

### 2. Mental Health and Discretionary Fund Grants

Discretionary grants are meant to fund either a specific time-limited project/program or provide seed money for a new initiative. Programs in this category are generally funded for one year and a maximum of \$10,000 is dispersed. These one-time grants give The Fund the flexibility to help support an immediate need with an agency or community program, or seed a new initiative that can dramatically impact the lives of our residents. In the last 10 years The Fund has given over \$225,000 in this special funding.

### 3. Youth Community Fund Grants

Youth Community Fund grants aimed at supporting local youth initiatives that YCF deems appropriate. Grants are supported through YCF fundraising efforts.

# Youth Community Fund of BET

A subset of The Community Fund, the **Youth Community Fund of BET** teaches area high school students the value of philanthropy and community service. Launched in 2019, more than 100 area high school students join the YCF each academic year. Members organize and participate in community service events, volunteer opportunities, and fundraising drives, all with a focus on serving the needs of vulnerable youth in our area.

2023-2024 marked another busy year of exciting, teen-focused programs and volunteer opportunities:

**Bronxville Ballet Not For Sale Dance Classes** ran from September to May. The program last is 2x month this year and a new holiday social was enjoyed by all who participated. This program was funded with grant money awarded by YCF in 2022-2023.

A screening of the award-winning documentary **Liked** was held at The Bronxville Picture House on April 3rd. This was YCF's second film screening and originated from a **grant written by YCF members**. The event welcomed more than 65 Bronxville, Eastchester and Tuckahoe teens and their parents and served as a conversation spark about teen anxiety and mental wellness and how social media impacts young people. YCF volunteers staffed and promoted this free community screening. Several students took the stage to give background on the program and lead a group activity for the audience.

YCF volunteers donated their time to several community service events throughout the year on a few volunteer projects.

Members of YCF's **Evaluations Committee** shadowed The Community Fund's grant evaluation program, learning from the 30 adult community volunteers who lead this community initiative each year. Students were able to read grant applications, attend and participate in evaluation interviews, and attend the agency presentation evening. The group will be voting to distribute \$5000 to worthy organizations in June. The group received grant applications for the following

- Bronxville School Autism Awareness club
- Bronxville Ballet Not For Sale
- Cancer Support Team
- Friends of the Ward House

Behind the scenes, YCF members have written articles and social media posts, organized meetings and events, and sharpened their public speaking skills.

YCF membership is open to 9th – 12th graders residing in Bronxville, Eastchester and Tuckahoe. There are leadership opportunities for 11th graders. To learn more and to stay up to date on YCF news, please follow us on Instagram: [@ycfbet](#).

## VOLUNTEER

**Evaluators** are the heart and soul of The Community Fund. Our volunteers then meet on-site with each applicant agency to review the need for and impact of the services provided, how well the services are provided, and the financial position of the agency. Based on their comprehensive review, the evaluators make a funding recommendation as to how The Community Fund can best support the agency and our residents. This essential part of the grant allocation process is a great way to understand who The Community fund is and why.

## JOIN IN OUR GOLF OUTING

Proceeds from our annual golf outing provide approximately 20% of our total revenue each year, directly impacting the amount of grant allocations we are able to make.

- **Be a Sponsor** – Sponsorships are tax deductible and provide a great way to support the BET community.
- **Donate to the Event's Auction or Raffle through Gifts in Kind** – Revenue from these events is imperative to the success of our outing.
- **Join our Golf Committee** – Help plan the day, find sponsors, or organize the auction while getting to know people from all three BET communities.
- **Join us that day** – Play golf or attend the awards dinner and auction that evening. On the links or off, your support will help!
